**ELECTIVES: 14-17 credits** Other courses numbered 100 or higher may be used as electives. Courses listed under Area Requirements may be taken as electives once the area requirements have been fulfilled.

Only courses specifically listed as repeatable may count more than once as elective credit.

Only one of the following courses can be used as an elective: IS 103, 105

Recommended that electives include courses in foreign or Hawaiian language, a course in humanities, a course in social science, and a course in natural science. If a student plans to transfer to University of Hawai'i at Manoa, using foreign language as electives is highly recommended since foreign language is a UHM graduation requirement.
